CNC Set-up Operator / Programmer, Journeyman Machinist

Precision Manufacturing | Prince George, BC

February 2015 to April 2015

- Set-up, operating 3 axis vertical machine centers with Fanuc controls
- Surface grinder
- Operate saw
- Desktop MasterCam programming

Red Seal Journeyman Machinist

Brunette Machinery Company | Prince George, BC

November 2014 to January 2015

Manual machining using lathes, mills, saw, drill press

CNC Set-up Operator / Programmer, Journeyman Machinist

Northern Oil Tool (previously PV Manufacturing) | Leduc, AB

2011 to November 2014

Equipment - Mazak/Mazatrol M32 and 640M horizontal machining centers using Renishaw touch probe

- Set-up, operating 4 axis machines
- Conversational programming at the control
- Desktop GibbsCAM programming, and courses 2.5D, advanced 3D

CNC Set-up Operator / Journeyman Machinist

Apollo Machine and Welding | Edmonton, AB

2008 to 2011

Equipment - Toshiba vertical machining centers with Tosnuc 777 & 888 controls 4 axis machines

- Set-up, operating / editing on the control, EIA (G-code)

CNC Set-up Operator / Journeyman Machinist

Argus Machine Co. Ltd | Edmonton, AB

2007 to 2008

Equipment - Toshiba vertical machining center with Tosnuc 777 control 4 axis machines

- * Set-up, operating and editing, EIA (G-code)

Red Seal Journeyman Machinist , CNC Set-up Operator

Weatherford Canada Partnership | Edmonton, AB

2005 to 2007

- Equipment - Mazak/Mazatrol 640M horizontal machining center with dual tables

Machinist Apprentice (yr 1-4), CNC Set-up Operator / Programmer

Inspira Manufacturing Inc | Edmonton, AB

2002 to 2005

Equipment - Mazak AJ32 4 axis vertical machining center w/dual tables

- Manual milling operations, engine lathes, drills, saws, surface and tool grinders
- Okuma CNC turning center. Set-up, operate and edit G-code
- Desktop programming using GibbsCAM and solid modeling
- Mazatrol conversational programming
- General apprentice duties

Plastic Fabricator

Allwest Plastics | Edmonton, AB

2001 to 2002

Fabricate plastic display cases and enclosures using plastic welding techniques, heating and forming and typical wood shop equipment.
